# CIRRUS SR22 G2

## HIGHLIGHTS

One of the earlier SR22 G2's with all upgrades implemented with the release of the G2: six point engine mount and Hartzell Scimitar propeller for a smoother ride, improved more automotive like interior including leather-covered throttle and side stick, redesigned engine inlets for better cooling, redesigned oil hatch, split design lower cowlings, larger CAPS access panel for easier CAPS replacement, redesigned door latching mechanism, slanted firewall for crash and impact protection.
